

Curriculum Vitae

Golam Reza Khataminia

Professor of Ophthalmology

Ahvaz University of medical
sciences

بیوگرافی علمی

دکتر غلامرضا خاتمی نیا

استاد دانشگاه علوم پزشکی اهواز

CURRICULUM VITAE

FULL NAME Gholam Reza , Khataminia
DATE OF BIRTH 22.April 1958

PLACE OF BIRTH Dezfool , Iran

NATIONALTY Iranian

MARITAL STATUS Married with four children

QUALIFICATIONS

- 1-GP in Medical Faculty ,Shahid Chamran University , Ahvaz , Iran , 1987
- 2-MD in department of Ophthalmology Medical Faculty , Ahvaz University of Medical Sciences 1992
- 3-Subspecially in Labbafinejad Medical Center, Shahid Beheshti University of Medical Sciences 1995.

CURRENT POSITION

- 1- Professor Department of Ophthalmology Ahvaz University Medical Science.
- 2-Director of Department of Ophthalmology Ahvaz University Medical Science.

Fax Number: 986112228076
E-mail: khataminia @Hotmail . com
E-mail: khataminia @AUMS.AC.IR

EDUCATION

1964-1970 Zahir Primary school , Dezfool, Iran

1974-1976 Afshar high school, Dezfool , Iran

1979-1987 Medical Sciences Faculty of Shahid Chamran University Ahvaz , Iran ; GP

1988-1991 Ahvaz University Medical Sciences Iran , MD in Ophthalmology

1993-1995

Shahid Beheshti University of Medical Sciences
Fellowship in ocular plastic surgery and strabismus
Tehran , Iran

EMPLOYMENT

Since September 1922 appointed lecturer and researcher in the Faculty Medical Sciences in Ahvaz University of Medical Sciences and also sine 1996 appointed Director of Department Ophthalmology, Ahvaz University Medical Sciences.

SOCIETY MEMBERSHIP

- 1-Iranian society of ophthalmology
- 2-American Academy of ophthalmology
- 3-Iranian Society of Ocular Plastic Surgery and Pediatric Ophthalmology

RESEARCH EXPERIENCE (Summary)

- 1-Investagation in cases of posterior synechia after ECCE+PC IOL
- 2-Investagation in amniotic membrane graft in treatment of distichiasis
- 3-Investagation in application of butulinum A toxin in the treatment of spasmodic Entropian
- 4- Investagation in application of butulinum A toxin in the treatment of lid retraction
- 5- Prevalence and Causes of Blindness and Low Vision in Khuzestan Province
- 6-Ahvaz eye trauma study

SCIENTIFIC MEETING ATTENDANCE:

- 1-6th Iranian Congress of Ophthalmology 1996 , Tehran , Oral presentation in title’’
Incidence Pathologic Orbital tumor in Labafinajad hospital Tehran Iran .
- 2- 7th Iranian Congress of Ophthalmology 1998 esfahan Oral presentation in title’’ effect of
the two concentration of mitomycin C applied in trabeculectomy “.
- 3- 8th Iranian Congress of Ophthalmology 1998 Tehran Oral presentation in title’’ incidence
and causes of posterior synechiae after ECCE+ PC IOL “
- 4- 9th Iranian Congress of Ophthalmology 1999 Tehran Oral presentation in title’’ two title
-“Incidence congenital cataract in newborn in Ahvaz city’’
-“Amnio membrane transplantation in Distichiasis “
- 5- 10th Iranian Congress of Ophthalmology 2000 Tehran Oral presentation in title’’ two
-“Repair of lacrimal duct “
-“Effect of Botulinum toxin A in Spasmodic Entropion “
- 6-11th Iranian Congress of Ophthalmology 2001 Tehran Oral presentation in title’’
consumed energy of in *Nd Yag laser* in 1223 patients in khozestan province”.
- 7-XXIX International Congress of Ophthalmology 2002 sydney , Australia Oral
presentation in title’’ Amniotic membrane graft in distichiasis .
- 8-12th Iranian Congress of Ophthalmology 2002 Tehran Oral presentation in title’’
proposed a new technique in evisceration eye” .
- 9-13th Iranian Congress of Ophthalmology 2003 Tehran Oral presentation in title’’
comparison of final Astigmatism following pterygium removal before and after cataract
surgery in patients that have pterygium and cataract simultaneously .
- 10-The 11th U.AE international ophthalmic conference & exhibition 2003 Dubai
presentation in title’’ comparison of final Astigmatism following pterygium removal
before and after cataract surgery in patients that have pterygium and cataract
simultaneously .
- 11-The 14th Iranian congress of ophthalmology 2004 tehran oral presentation in title
‘complication and management surgical eyelid lesions and poster presentation in titlecolor
blindness in Khozestan .
- 12-The 15th Iranian congress of ophthalmology 2005 tehran oral presentation in title
‘Efficacy of A single subconjunctival injection with disport for lid retraction treatment .
- 13- The 16th Iranian congress of ophthalmology 2005 tehran oral presentation in title
 - orbital vacular disorder (symposium)
 - Evaluation of drivers visual field (V.f) in jehad agricultural organization of hkpzestan
 - Eyelid Malposition (**Work shop**)

- 14- 3rd international congress on Health , Medication and crisis Management in disasters
2006 Iran oral presentation eye trauma
- 15-19th Annual Scientific meeting of the ophthalmology 2006 , poster presentation
"Evaluation of 4608 Yag-Laser Operation in the Shahid Dr Hakim medical Center ,
Ahvaz , Iran .
- 16-The 17th Iranian congress of ophthalmology 2007tehran oral presentation in title"two title
Evaluation subconjunctival injection with dysport for lid retraction treatment
-Comparison of Standard and Decreased surgical methods in treatment of partially
accommodative esotropia
- **Work shop** (Congenital lacrimal diseases)
- 17- 21th Annual Scientific Meeting of the Saudi Ophthalmology Society(SOS).Poster
presentation ; Evaluation of the Dysport Injection for Treatment Lid retraction.
- 18-The 18th Iranian congress of ophthalmology 2008 tehran Poster presentation in title
- Incidence and causes of enucleation Khuzestan province (2003-2007)
- Evaluation between duration use of hydroxyl chloroquine and visual field defect
severity .

THESIS:

- 1-**Review of Stereopsis and Evaluation of relation shop between inter papillary
- 2-**Evaluation of refraction Errors change Folloeing strabismus surgery on horizontal rectus muscles
- 3-**Evaluation of IOP changes after YAG laser capsulotomy in sina hospital
- 4-**Evaluation of province & Ethiology of amblyopia in Khuzestan state kinder gardens
- 5-**Comparision of final Astigmatism following ptwrygium removal before or after cataract Surgery in patients that have cataract and pterygium simulataneously
- 6-**Evaluation of cases of low vision and blindness in sina hospital
- 7-**Evaluation of spastic Entropion treatmant with botulinum toxin in sina hospital (78-79)
- 8-** Evaluation of the Dysport injection for treatmeant lid retraction(botulinum toxin A)
- 9-** Comparison of standard and undercorrected surgical procedure in treatment of partial accommodative esotropia
- 10-** color blindness in high school Ahvaz
